Dear Friends,  
Warm Greetings from Curacao  
Netherlands Antilles.

As the volunteer foreman I am busy now with the construction of the church building for the Dutch congregation and at the same time the construction of the Spanish church building on Traai Seroe; <http://IglesiaBidaNobo.net>

On the picture above; we have started leveling the land for the Spanish Church Building and it will be around the same size as the Dutch church building.

In the pictures we are lining out the foundation for the Spanish church building on the land.

In the picture above, I am standing left with the short term missionaries team from the USA who came to work for a week to start laying the blocks for the Spanish church building and they laid 2000 blocks.

Sara is doing very well and she learns how to write and do math.

This month we hope to hear how the process goes with the next step for the paperwork for Sara and what we need to do next to get Sara her Dutch Passport.

We still have a loan that we need to pay back for the arrangement of our little one room apartment here on the grounds of the Dutch church and the cost of the adoption papers in Holland. The amount is 4000 Euro.

If you can help with this would be a nice blessing. We pray that God will provide.

Luke 6:48 He is like a man, which built a house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock.

*Warm greetings and we thank you so much for your support and prayers. God bless you*
