Dear Friends,
 Greetings from France.

From 9th of June – 9th of September I am in France to help in the technical department. The tent conference of 8 – 16 Aug is finished; see pictures below and on the website: www.ImpactDuPleinEvangile.com

On the picture I am installing a donated powerful secondhand cooker hood in the kitchen. It was about time to change the old hood which was far too small for the kitchen. This one works very well, and the cook and the cleaning lady are happy with an easier to clean kitchen.

The people here are happy with my help here. We have accomplished a lot, and the tent conference went very well and the people have had nice experiences. We had good guest speakers, a couple from the USA. Good preaching from the Word of God and there was time for prayer for healing and restoration.

On the picture above: the whole video team on the picture. It is not only filming the videos, but also the editing and reproduction. So we make long days working.

Like this I spent each meeting recording the videos, instructing the cameramen to adjust their images and to inform them when their camera is being recorded.

Also we had a baptism in which 3 people were baptized in the swimming pool, and on the picture you can see how everyone blesses them.

Sunday 13th of September I will be 47 years old. A good moment to be able to invite you over for a visit. You are very welcome at the Buitenhof 33 8255AW Swifterbant between 14:00 – 21:00 hours, There is always pie and a nice meal at 18:00 hours.

Until half November I will be in Holland. In that time I will be working on all the different websites which I maintain for missionaries and mission organizations. After that I will go to Colombia via Curacao and in January to Indonesia God willing.

It is time to get another second hand laptop computer. Nowadays we can't imagine working without a computer anymore. My laptop has crashed 5 times this month, with the horrible experience of losing data, so it time to get another. (In case some data that concerns you has not been properly processed, please send it again) And as you can see I am making good use of it by presenting you with a good report every 2 months through my newsletter. I am looking for a good laptop Workstation which can handle video editing. If you like to help with the purchase of a laptop please send your gift marked "Laptop"

Mark 10:39b And Jesus said unto them, Ye shall indeed drink of the cup that I drink of; and with the baptism that I am baptized withal shall ye be baptized:

Friendly greetings and thank you for your support and prayers. God bless you
