Dear Friends,  
Warm Greetings from Curaçao  
Netherlands Antilles.

As the volunteer foreman I am busy with the construction of the church building for the Spanish language congregation and at the same time for the congregation of the Dutch language of;  
<http://IglesiaBidaNobo.net>

In the picture above, we have finished a big part of the walls for the Spanish congregation.

We live here already for 10 months now. We work for the same foundation Wim de Vries has founded in 1963, which my father took over in 1965. My mother remembers very well that after my dad went to Curaçao alone, he called by phone after a while, saying that we can come to Curaçao, because now he is the chairman of the foundation and doing so he could get a stay permit. 7 years later my dad handed the foundation and the church over to Pastor Thijm because we went to live on a different location with more land and starting a new ministry at Mount Pleasant and because the workload became too much, my dad looked for a new pastor. The name of the first foundation is still used today; Stichting Volle Evangelie Zending Stroom van Kracht. And this ministry has grown great since then with 7 congregations (including one Chinese) and a youth centre, and all under the leadership of Pastor Thijm.

In the picture, we have had 4 American Missionary Building teams in 2017 to help with the construction of the Spanish speaking church. We will continue there with the construction next year with more teams.

In the picture, we are standing at the new church building for the Dutch-speaking congregation, which is almost finished, and on the right is the youth centre where we live in the neighborhood called Monte Carmelo.

In the picture; We are painting the building for the Dutch-speaking congregation. On the next picture, I am installing a toilet and there are still more sanitary installations to install. We will now continue with the Electricity, Sound, Projection, Stage, air-conditioning, parking lot i.e. The rent has been terminated for the end of January for the rented building where the Dutch-speaking congregation meets now. So we need to work hard to get it all ready before that.

Address change: My mother has moved house and she now lives in Friesland close to where she was born in Holland. Therefore, the rent of the house in Swifterbant has stopped. The new address is; **Paradyske 5 9291 MV Kollum.**

It is also the new address for the bank accounts in Holland.

Sara finally has her Netherlands passport, Praise God.

However, her registration on Curaçao will last another 3 months, so we need to have a little more patience and after that, she is medically insured like us for free at SVB.

We still need to pay back a 3000 Euro loan for the previous costs for the court case in Holland and Sara her passport and her residency here (the last; 300 Euro).

If you can help, it will be a great blessing and it will comfort us very much. We hope that at the end of the year we can have no debt at our bank account and be able to continue with our missionary work fulltime.

*Warm greetings and we thank you so much for your support and prayers. God bless you*

A fellow missionary and good friend of my father from long ago, got this verse from the Bible which he found fitting for me.

Psalms 45:16a Instead of thy fathers shall be thy children,

*We wish you a Merry Christmas and a Happy New Year 2018*
