Dear Friends,
Greetings from France.

8th of June I arrived in Panassac and I will be here till the 1st of September.

The team here is happy again that I will help out this summer.

This is the 7th summer in a row I am here to help with the conferences.

Here I am helping out in the technical department. We will be recording video again which will be transmitted on Christian satellite TV stations in the French language. This is a wonderful ministry because there is still very little French Christian TV in the world. Besides France, there are many countries where French is being spoken.

On the picture I am with the team here; From Left to Right; Daniel, Sergine and Andre, Jacqueline, Marbella, Bruno

From 7-15 of August we will have the big conference in the tent. 14th of July we will set up the tent again. Then the days afterward installing everything inside the tent. My job during the conference is to make sure all technical things are working good and record video.

Indonesia

Before I left Indonesia I went out with the "Eye Doctors" team for a week. I have helped to keep all equipment working. 101 people were operated and can see again.

So The Lord wills I hope to go to Indonesia again in November already and this time for 6 months because there is a lot to do there. I have discovered some leaking underground water pipes in the hospital. So we better renew all the water lines soon.

Also the voltage of the generators will be changed from 120 volt to 240 volt. So very careful and systematically we will have to make the change so no equipment will be burnt.

There is a lot of work to be done and it was hard to leave so I promised to go back sooner.

I will have to buy my ticket now already to be able to get a good price. I pray that God will provide.

The 12th of June it was a year ago that 9 persons working in the Hospital in Sada Yemen were kidnapped. The bodies of 3 ladies were found immediately. And Praise The Lord on the 17th of May 2 children have been rescued alive by Saudi-Arabian authorities 11 months later. Their hair painted dark with henna. Read more on the links below:

Matthew 5:11 Blessed are ye when men shall revile you and persecute you, and shall say all manner of evil against you falsely for My sake.
12 Rejoice and be exceeding glad, for great is your reward in Heaven; for so persecuted they the prophets who were before you.

Friendly greetings and thank you for your support and prayers. God bless you
